PARKING IN FIRE LANES: Vehicles parked in marked Fire lanes will be towed at owners expense. Approximate cost of towing is \$45 - \$70 with an impound fee of \$20 per day. Vehicles illegally parked in handicap parking spaces will be ticketed by the City of Astoria, which carries a possible fine of up to \$470.

If your vehicle is missing please contact Astoria Towing Company at 325-3782.

—Greg Dorcheus—

“As much as we understand that parking is so much fun on campus already, we have to keep these areas clear for their designated use, as directed by the city and fire code regulators. This is for real folks, and we would much rather not have to tow vehicles, so please, lets try to make this as easy for everyone as possible.

Thank you for your advanced cooperation and understanding.”

STUDENT ELIGIBILITY FOR OREGON HEALTH PLAN: Beginning January 1, full-time students will be eligible for the Oregon Health Plan. You are eligible for the OHP if you are eligible for a financial aid Pell Grant. New forms will probably be available middle of this month. Contact financial aid for more information.
